Wiring diagrams

1 Three-phases wiring diagram at 400V

Key

A = self-braking motor card

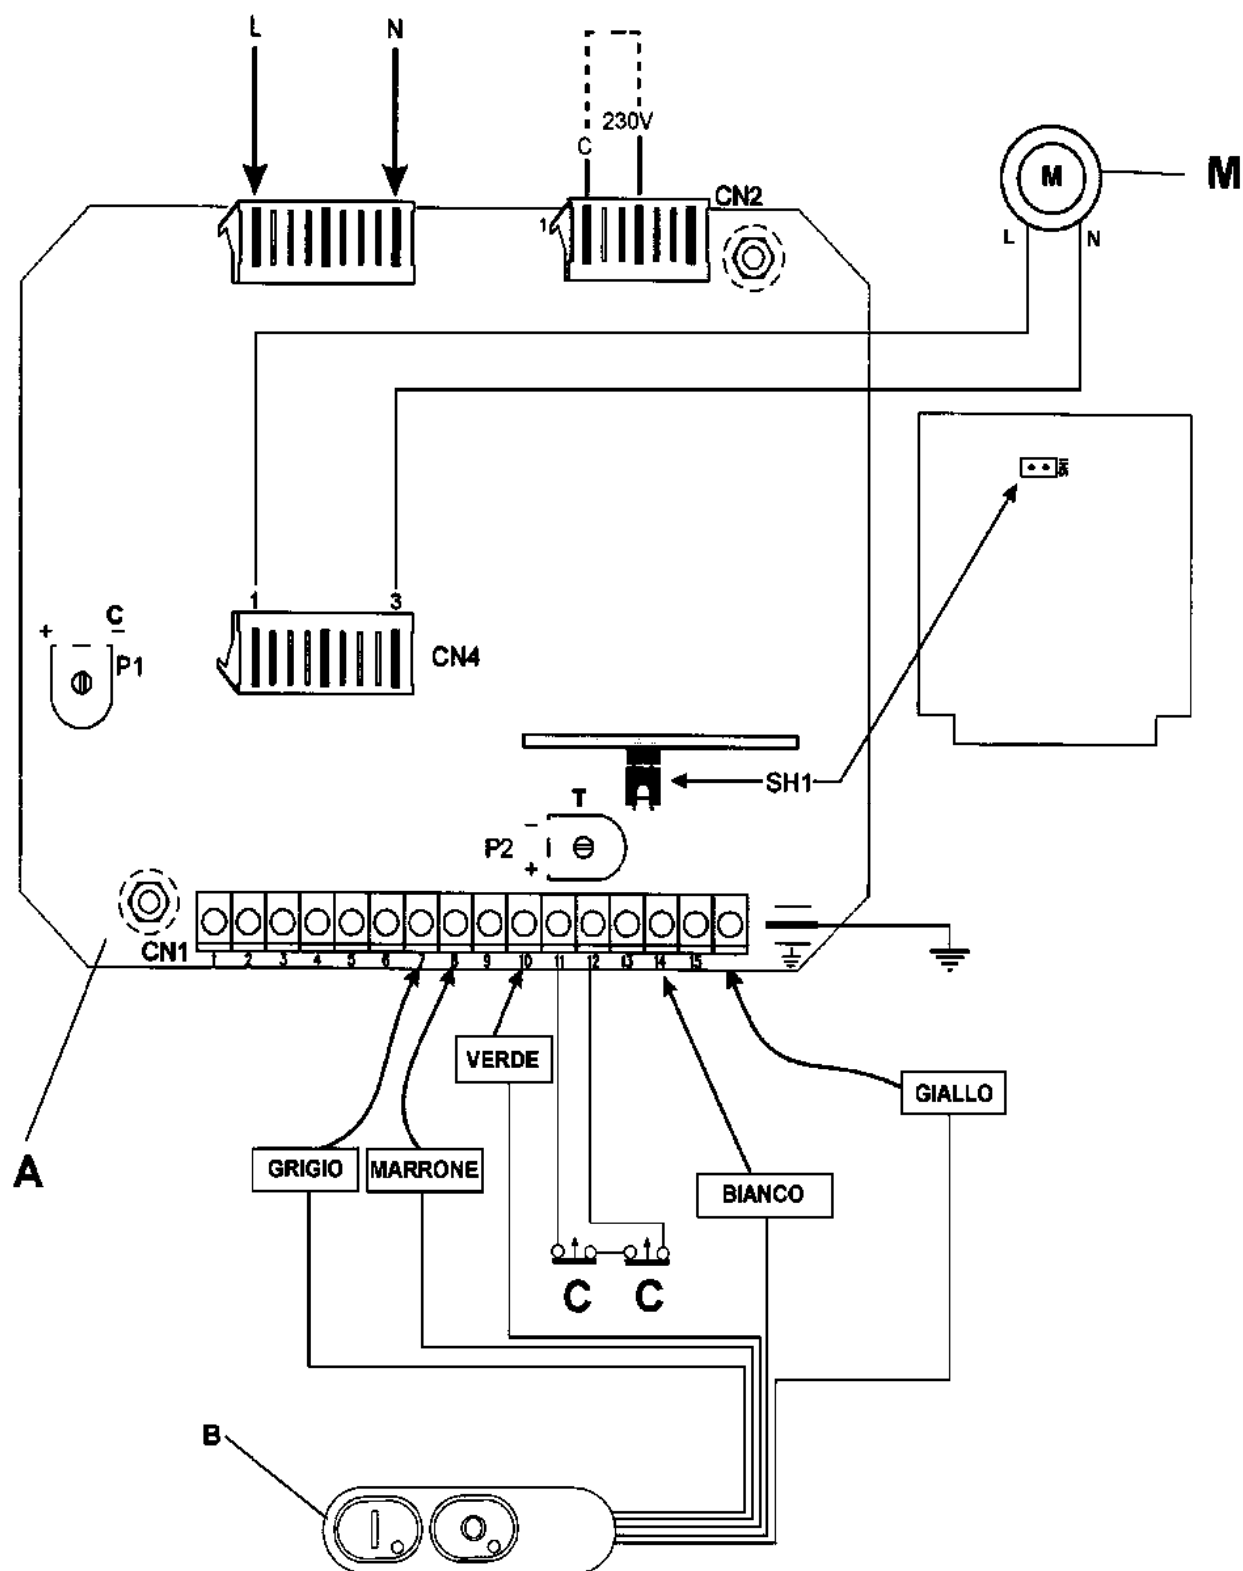

B = star-stop button

C = safety microswitch

M = motor

L1, L2, L3 = three-phase line

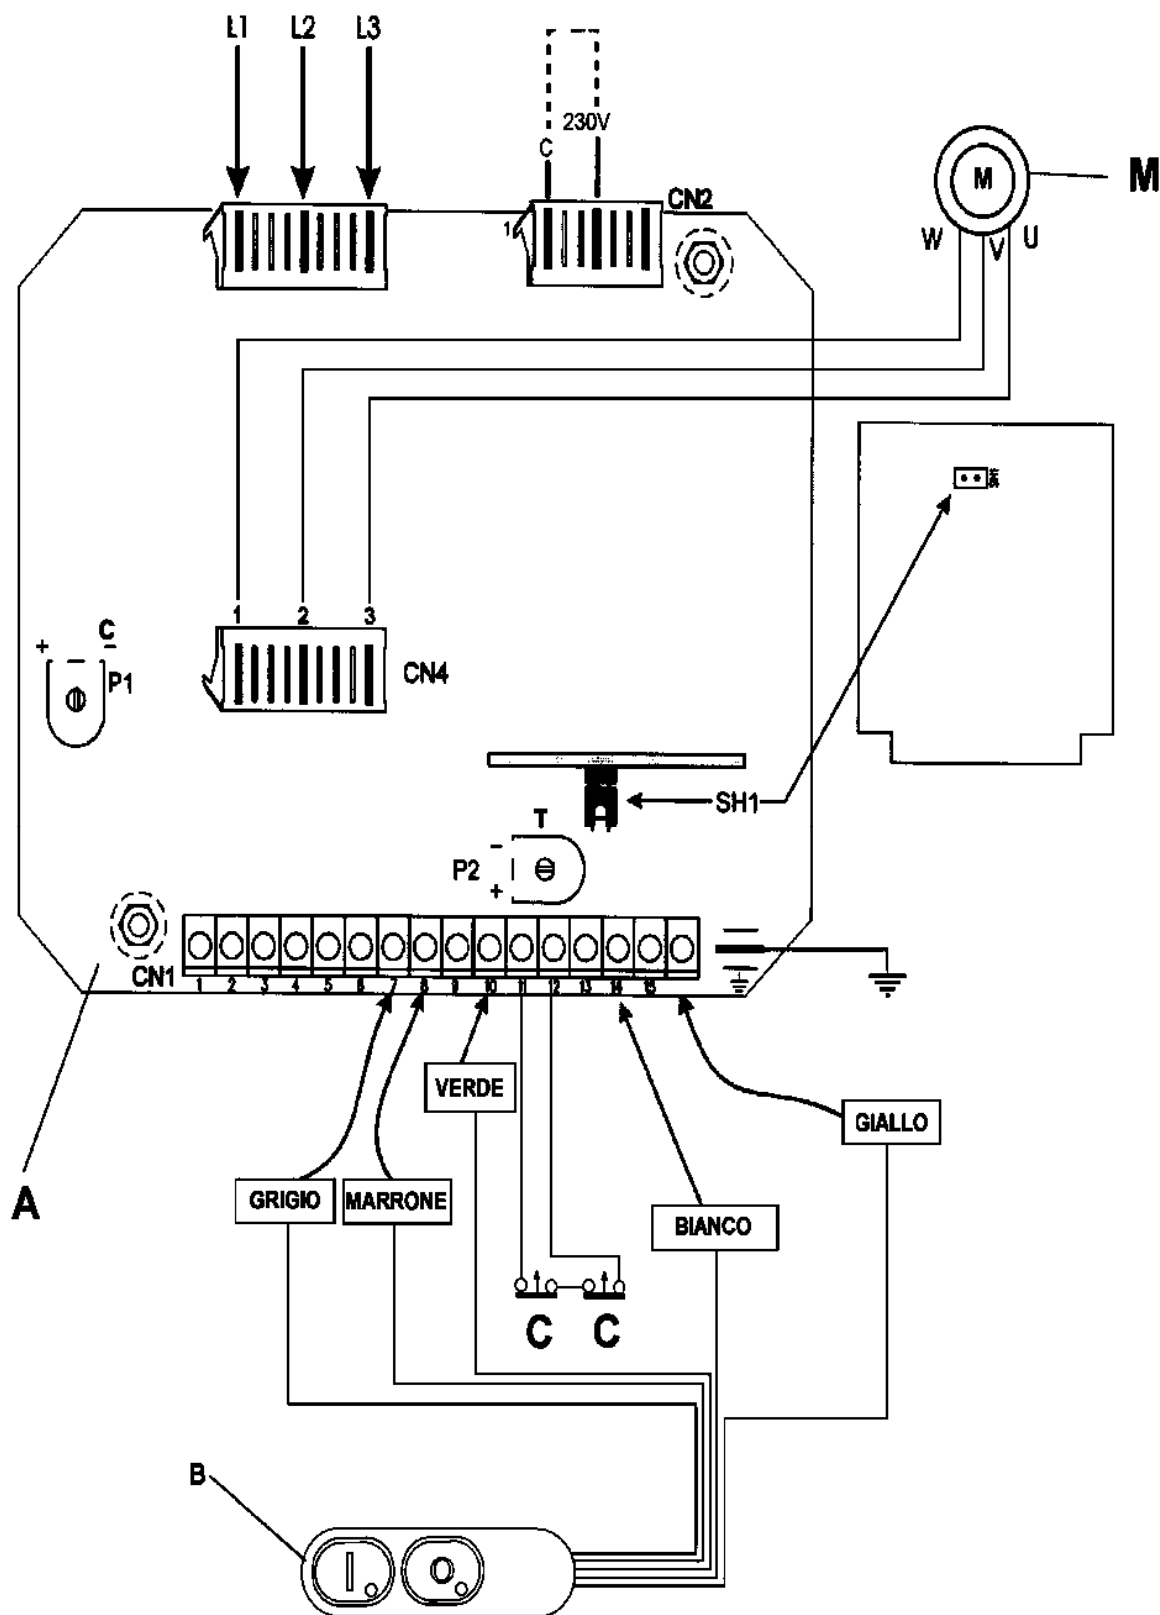

2 Single-phase wiring diagram at 230V

Key

- A = self-braking motor card
- B = star-stop button
- C = safety microswitch
- M = motor
- L, N = single-phase line

3 Three-phases wiring diagram at 230 V

Key

- A** = card of self-braking motor
B = star-stop button
C = safety microswitch
M = motor
L1, L2, L3 = three-phase line
